Dear sir,

To The Director of National Bank Of Rwanda(BNR)

Re: Application for an industrial attachment

I am writing to express my strong interest in the industrial attachment opportunity at the National Bank of Rwanda. Currently pursuing a degree in Computer and Software Engineering at University of Rwanda Nyarugenge-campus, I am enthusiastic about applying my theoretical knowledge and technical skills in a practical setting. Throughout my academic journey, I have developed a solid foundation in software development and IT practices, including proficiency in various programming languages and a passion for innovation.

The National Bank of Rwanda's commitment to technological advancement aligns perfectly with my career aspirations, and I am eager to contribute to its IT initiatives. With my analytical abilities, creativity, and collaborative mindset, I am confident in my ability to make meaningful contributions to your organization.

Thank you for considering my application, and I look forward to the opportunity to discuss how I can contribute to the bank's objectives further.

Sincerely,

Gabriel Dushime
